## Greenbrier Presbytery.

[Reported for the Richmond Dispatch.] with a sermon by Rev. S. R. Houston, D. D., graph, 18th. from Amos V. 7; after which it was constituted with prayer. The roll was cailed and three ministers and twelve elders reported

Sydenstricker as pistor of Oak Grove church reported the duty performed. The reception of the report of Committee

on Standing Rules was made first order of the day for Saturday P. M. The committee to prepare a history of Presbyterianism in our bounds was continued.

The report of the commissioners to the General Assembly was received, and their diligence commended. The same persons were also a committee

on the minutes of the General Assembly, and as a committee reported, recommending committees be called to the action of the General Assembly on the various objects under their care-adopted; that this Presbytery heartily endorse the cooperative union between our General Assembly and the (Dutch) Reformed Synod. The words of this excellent report were

as follows: "We recommend that the Presbylery express its gratification at this progress in our fraternal cooperation with that excellent body of Presbyterian Christians, and our hope and prayer that all the steps taken in carrying it on may be guided by the divine wisdom and crowned with the divine blessing." Adopted.

That this Presbytery endorse an effort to establish a school for the education of colored ministers. Adopted. That the Presbytery decline to adopt the

Assembly's " per capita" plan for raising the contingent fund. Adopted. That this Presbytery overture the General Assembly to take such steps as may be necessary to legalize the trial of judicial cases by a commission of that body. Adopted.

The Presbytery reconsidered its action of last spring appropriating a morning session to hearing addresses in connection with the Sunday-school work, and then decided to refer this matter and the reception of reports from the standing committees to the Committee on Devotional Exercises, with the re-

quest that they assign them an hour. A call from Mount Carmel church, Lexington Presbytery, for the pastoral services of Rev. A. H. Hamilton was read and laid on the table.

Presbytery adjourned till to-morrow morning at half-past 8 o'clock.

## SECOND DAY. Presbytery met and was opened with

prayer. The roll was called, and the mintites read and approved. A communication was received from Rev. G. T. Lyle informing us of the recent death

Atter some touching remarks by some members of the Presbytery with reference to the affliction of our brother, the Presbytery was led in prayer by Rev. S. R. Hous ton for God's blessing to rest upon him in this sad dispensation of God's Providence. Rev. J. C. Barr was appointed to prepare

a resolution extending the sympathy of the Presbytery to Brother Lyle. Hearing the narratives was made the order of the day for 10 o'clock this morning. The order of the day for 11 o'clock to day, hearing reports of the standing committees. Sabbath-school reports were placed in the hands of the Committee on Sunday Schools. The call of Mt. Carmel church for the pas-

toral services of Rev. A. H. Hamilton was taken from the table, and a motion to place it in his hands was made. Mr. Hamilton is now serving some churches in Pocahontas county, and this motion was opposed by the elders from those

churches. On motion, Elder J. C. Bell, from Mt. Carmel church, was heard in favor of placing the call in the hands of Mr. Hamilton. Remarks were made on the subject by Rev.

J. C. Barr, D. S. Sydenstricker, Dr. Wallace, of Pochahontss, and others. Pending the discussion of this subject, the hour of 10 o'clock arrived, and the hearing of the parratives was taken up.

Reports were made from most of the 11 o' Clock .- The order of the day, "to hear reports from the various standing committees," was taken up and introduced by

singing 157th hymn. Report of the Committee of Publication was made by the chairman, Rev. Edward

Eells. It was received and placed upon the docket. Pre-bytery was then led in prayer by Rev. J. C. Barr, and united in singing the 574th

- Report of Committee on Education was made by Rev. M. L. Lacy, chairman. Favorable reports with reference to our candidates were made. Some of the defects

of our present system of aiding young men Presbytery was led in prayer by Rev. W. REMOVAL! REMOVAL! were pointed out.

ane Missionary Hymn was then sung; and the report on foreign missions was made by Rev. S. R. Houston, D. D., whose remarks were very impréssive and well calcu-

lated to stir up a spirit of mission in all hearts, showing the great disproportion between the three bundred millions of n minal Christians and the nine hundred mill ons of those who are not Christians. This work of foreign missions is to be accomplished by the use of means, but in order to do so there zaust be adequate means. But bow far below our duty do we fall as a Church in making use of the means? The fault is not in

be pan or recemption, nor in the promises of God. The Church is to blame, and is chastised here for her delinquency. How is the Church to be brought up to her duty? She must become Christ-like in her selfdenying sacrifices for the good of others; and when this spirit takes full possession of the Church the means will be used and the

work accomplished. These remarks were followed with prayer by Rev. M. H. Bittinger, and singing by the congregation of that good old hymn,

." Come thou fount of every blessing." Rev. J. C. Barr was called to the chair. and Rev. J. C. Brown made the report on evangelization, showing what work has been At 124 o'clock Presbytery took a recess until 21 o'clock.

A CURIOUS DISCOVERY .- While a number of boys were hunting for chestnuts on the they found under a large projecting rock a leaden box about three and a half inches open they discovered it, much to their amazement, to contain a package of twentydollar bills, the face of the notes bearing the following:

" Winchester, ----, 18-The

Bank of the Valley in

Virginia will pay on demand Twenty Dollars at its Banking House in - to -- or Bearer. No. — D— Cus.

Toppan, Carpenter, Casilear & Co., Phila. and N. Y."

The notes appear to be genuine, and are of the old State Bank type. They appear, also, to have never been filled up; or, if they were, the ink has completely faded from view. The package was bound with tape, and the notes were all wel, the water oozing into the box through a hole in the corner. Whether the notes were genuine or counterfeil, and whether they were placed there by some eccentric or a robber who feared that their discovery might attach suspicion to bimself, are questions which naturally arise from the curiosity excited by this revelation. One of the notes has been sent us by Mr. G. W. Frederick, and it reminds us of the days when national-bank and greenback currency was yet a theory of the future; when wild-Presbytery met at Frankfort. Greenbrier cat banks, and shaky ones not of that feline county, West Virginia, on the 15th of Octo- stripe, created constant havoc in mercantile ber at 11 o'clock A. M., and was opened and financial affairs .- Philadelphia Tele-
